

Amidst Elephants, Giraffes and Lions. 10-Day Safari in Kenya.

The 10-day safari amidst elephants, rhinos and lions is an unforgettable experience in the enchanting Kenya.

Your home-base and accommodation will be the beautiful **Sandai-Farm** which is situated between Aberdares and Mt. Kenya, from where you will venture on your one or several day safaris with overnight stays.

Itinerary:

Day 1: Pick-up and baby elephants

Upon arrival at the airport in Nairobi, you will be picked up by either myself or one of my employees. Subsequently you will visit the adorable **Daphne**

Sheldrick Elephant Orphanage in Nairobi. Special feature: young elephants close enough to touch. Continue to the Sandai Farm for a sundowner and a delicious dinner in a cosy atmosphere.

Day 2: Relax on Sandai

The first day on **Sandai** is used for

extensive relaxation and exploration of the farm. A nature walk or horse riding can be organised spontaneously for those who want to do something active.

Day 3: Vast biodiversity on Solio Ranch

In the course of the morning we will head out for the game drive to the beautiful and nearby **Solio Ranch**.

Rhinos, giraffes, zebras and many other

animals are guaranteed here. With a bit of luck, we might sight cheetahs, leopards or even lions. After the game drive we will return to Sandai for a relaxing sundowner and dinner.

Day 4: Horse riding, walks and pure relaxation

Day four is reserved for some more relaxing on Sandai. Optional: **Horse riding on Sandai**, nature-walks etc.

Day 5: Safari in the breath-taking Aberdare National Park

After breakfast we will leave for the safari in the scenic **Aberdare National Park**. Our drive will lead us through the park, past rare animals, through bamboo and rosewood forests to the unique and magnificent waterfalls. The

waterfalls in Aberdare National Park became famous through the film „Out of Africa“.

Day 6: Departure for the three day safari to the Samburu National Park

After a hearty breakfast we will leave

for the multi day safari in the **Samburu National Park**. After arriving at the park, we will drive through the astonishing Samburu National Park to marvel at the wonderful wildlife. In the afternoon we will check into the **Sopa-Lodge**.

Day 7: The unique savannah of the Samburu National Park

On the second day in the Samburu National Park we will once again go on safari and admire the wildlife and beautiful scenery.

After the game drive we will return to the last overnight stay in the beautiful Sopa Lodge.

Day 8: Return to Sandai

Before returning to Sandai we will go on another short game drive in the Samburu National Park. Before noon we will visit the **Umoja Women´s Village**.

There you will learn more about the hard life of the Samburu. In the afternoon you arrive on Sandai, have a sundowner, dinner and the chance to talk about your experience!

Day 9: Giraffes and lunch in the Aberdare Country Club

After breakfast we will go for a nature walk with the giraffes in the **Aberdare Country Club**. Subsequently we will also have lunch in this legendary golf club.

Day 10: Probably the saddest day

Transfer to Nairobi airport. Depending on your departure time we can still organise a museum visit (Railway Museum, Karen Blixen Museum, etc.)
